

Our Football Charter

In our school, we are:

- **Ready to play**
Football at school is **inclusive**: players of all abilities are welcome.
- **Respectful**
All communication is **respectful** and **supportive**.
- **Safe**
All football is **non-contact**.

I understand my role in making football at school fun, safe and inclusive. I will take responsibility for my behaviour and choices. I will be calm and respectful; I will show this through my communication and actions. If I see or hear behaviour that is not ok I will tell an adult (straight away).

Consequences:

Individuals who do not uphold the football charter will be withdrawn from football.

⚽ **Reminder**—time out **Warning**—miss the rest of the day **Reflection**—miss a weeks
Repeated poor choices would mean missing longer periods of football. ⚽
