

Beatboxing and Junk Percussion Workshop!

Funds raised through PTA activities will gift all pupils an innovative music workshop in the New Year. Ollie Heath is a professional musician, who runs fun and powerful music activities and workshops and uses music and rhythms as a medium to inspire and engage pupils.

Harland's first light trail was a magical experience and the PTA are so grateful to everyone who led and supported the light trail and fair!

Thank you to all the volunteers who made beautiful lanterns, helped set up the trail and fair, ran stalls and donated items, as well as supported by attending!

Thank you to all the staff at school who supported all of the logistical plans, setting up, helping children decorate jam jar lanterns and helped with music and mulled wine. Special thanks to Mr Edwards and McKeown-Webster who worked tirelessly all day!

Thank you to Florence Cooper in Year 6 who ran the 'Find the Elf' section of the trail and was at the event for many hours talking to attendees.

A HUGE thank you to Marianna Cooper and Anna Bartter who masterminded the trail with passion and energy, working with the rest of the sub-committee including Sarah Jones, Hayley Cook and Christoph Leiwe, plus music and fire safety support organised by Charlotte Dougan and David Brooks, which provided extra festive magic this evening.

The amazing hard work of all involved raised a wonderful £4,601.87!

Did you volunteer for the light trail or fair? If so, could your employer help the PTA with 'match funding'?

Many organisations offer match funding to their employees, usually a company pledges a sum of money relating to the amount the employee has either raised or donated to a charity. This helps the PTA to significantly boost fundraising. Last financial year, the PTA received £5k in match funding from parents at the school, through their employers.

Please do find out if the scheme is something that your employer might offer. Often it's large organisations like banks, insurance companies, supermarkets, utilities providers, phone companies and large manufacturers who have these schemes in place, but a match funding policy can be adopted by any company no matter how big or small.

Congratulations to all the lucky raffle winners!

Emails went out to ticket holders on Sunday 7 December. We hope you enjoy your prizes!

Thank you to everyone who supported the raffle, by donating and purchasing tickets. Special thanks go to Carl Bell, this year's Raffle Coordinator for gathering a brilliant set of prizes!

PTA Christmas Cards

A big thank you to Yas Shepherd for organising the PTA Christmas cards, a lot of work goes into these initiatives behind the scenes. From collecting all the designs and making sure they're properly named, to sorting orders so the beautiful cards and designs get to all the children safely. **A fabulous £2,345.40 was raised!**
