

The Harlands way...

Ready	Respectful	Safe
We wear the correct uniform. We show we are listening. We think about the voices we use. We always try to do our best.	We listen carefully when others are talking. We speak respectfully to everyone. We look after ourselves, each other and our school.	We make good choices. We think about our actions. We keep our hands and feet to ourselves. We think before we speak. We use equipment safely.
